

1099 Misc and 1099 NEC Forms

- If you would like to access your annual 1099 forms for 2020 electronically, please visit:

<https://Portal.Countrymark.com> and register

- Allow 24-48 hours for the files to be uploaded to your account
- Already registered? Paper copies mailed by 1/29/2021 and electronic forms should be available 1/31/2021

Notice to Owners: The Internal Revenue Service changed the form for **working interest only** to be reported on 1099 NEC and not 1099 MISC. If you own both working interest and royalties/overrides, you will receive both form types that you will need to provide to your tax preparer.
